Program at Horeca

Diploma in Culinary Arts Pastry & Baking (Professional Chef Level-3)

This course leads to a Professional Chef level 3 diploma recognized by the Hospitality industry. You can follow the level 3 course when you have successfully finished the Professional Chef level 2 course. During the course as a Professional Chef (level 3) you have practical classes once a week at the Horeca Academie. The rest of the time you spend working in a kitchen as an apprentice chef. For the whole year you will attend a special apprenticeship program in a restaurant.

The Classes are threefold:

RESTAURANT CLASS

You cook for our guests in the Horeca Academie restaurant. This is a three-course meal based on the themes of the curriculum.

COOKING-LAB CLASS

Again you cook, this time not for guests, but to explore and to experiment with the products that fit the curriculum theme. You start this class with examining the product table.

IMMERSE KNOWLEDGE CLASS

Any subject that needs a little bit more attention is handled in this class. Subjects like special allergies or hazard analysis critical control point (HACCP) are being treated in the immerse knowledge class.

Curriculum

- Cooking-and new skills and techniques
- Product knowledge
- No-waste creation
- HACCP (hazard analysis critical control point)
- Innovation and creation
- Planning and organisation
- Financial management
- Purchasing management
- Leadership
- Basic molecular gastronomy
- Pastry and ice cream preparation
- Plating dishes

Schedule of Classes & Duration

- 10 months | 40 classes (one class a week for 8 hours) + apprentice program 20 hours a week (minimum)

Language

- English
